Weaving Success Together

ITG Group, every thread of our international team always at your service.

NARROW WEAVING MACHINES

We have a wide variety of narrow fabric weaving machines designed to suit your production needs. Our looms are equipped with high precision electronic jacquard, ideal for the production of ribbons with different patterns. They incorporate a new, highly compatible control system, which allows you to store and manage

various designs with ease. In addition, they are easy to maintain and adjust, ensuring efficient operation. For a more accurate recommendation, we suggest that you send or show your sales representative a sample of what you wish to produce. This will enable us to provide you with the most suitable solution for your project.

NARROW WEAVING MACHINES

Types of series

- DKJ
- DHJ
- KFJ

Applications

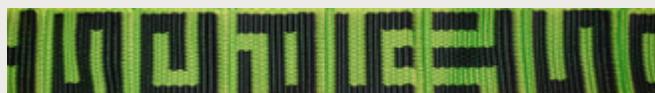

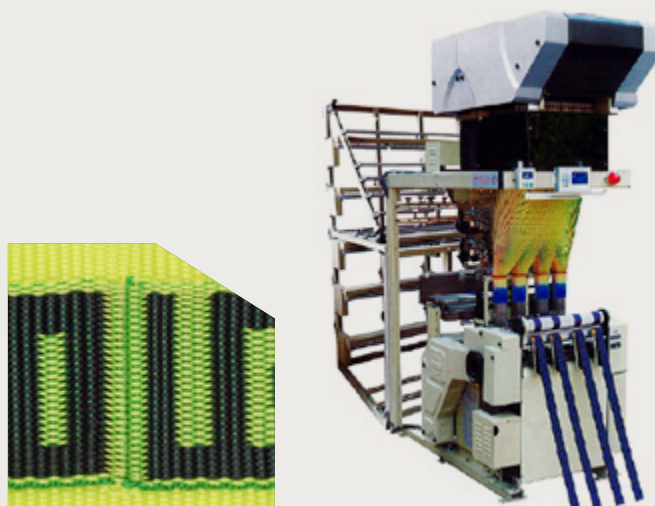

- Pet leashes
- Elastic webbing
- Jacquard bra tape
- Embroidered ribbons

MODEL

KFJed 4/65

Specifications:

N. of line	4
Reed width	65
Heald frame	12
Peak repeat	40
Motor Power	2.2 kw
R.P.M	850 ~ 900
Hooks	192H(96) 256H(128) 320H(160) 384H(192) 480(240) 560H(280) 640H(320) 720H(360)* 800H(400)* 960H(480)*

MODEL

DHJ 8/30

Specifications:

M/C Ancho	600mm
N. of line	8
Reed width	30
Heald frame	8
Repeat selection	40
Motor Power	2.2 kw
