YOUR YARN & TEXTILE WORLD
(Manufacturers & Indenting Trade Experts)

Operating from Surat, Gujarat, "Hilotex International Pvt. Ltd. is a reputed manufacturer & supplier to a wide range of Textile Industries. Our entire product range is crafted using the finest raw materials obtained from the leading ISO Certified Organizations worldwide. Crafted to perfection, our range of yarns is widely demanded in the textile Industry for its durability, tenacity & dyeing ability.

Our transparency & professionalism has been a key feature in successfully earning the Trust & Confidence of our Clients. Having a competitive edge over various leading manufacturers in India to ensure Global Standard Quality has won us Customer Satisfaction with regards to our Superior Quality, Pricing & on time Delivery.

We have Special Volume Contracts with the top manufacturers & receive preferential treatment due to our constantly huge bookings, making us one of the leading INDENTORS, as we are able to offer better pricing than the manufacturers themselves.

Our professional team draws inspiration from our Director, Mr. Rajesh Agarwal, whose dynamic & superb Leadership qualities in the Industry has brought "Hilotex International Pvt. Ltd." To an unrivalled status of Excellence.

Our company directors, being well conversant with International trade, have handled consignments worth millions of dollars. Their brilliant marketing techniques coupled with extensive business contacts gives "Hilotex International Pvt. Ltd." a leading edge.
